

At Bull Run.

Comrade Chas. Elms, of Mechanicville, N.Y., was struck by a piece of shell which later caused severe heart trouble. He says:

"At second Bull Run a piece of shell lodged in my shoulder, and had rheumatism set in, which in turn affected my heart to such extent that several doctors pronounced my case incurable. Dr. Miles' New Heart Cure relieved my pains, shivers of breath and enabled me to work also to sleep soundly, and prolonged my life."

Deaf Mute School Open.

Forty-two pupils have been registered thus far at the deaf mute school. This number will be largely increased within the next two weeks. The school opened on September 20.

Thin, pale and consumptive persons should use some constructive tonic that will enrich the blood, increase the nerve force and renew wasted tissues.

Scott's Emulsion is based upon scientific principles. We digest the oil for you by mechanical processes, thus strengthening your digestive organs by resting them. It stops wasting, and produces energy, vigor and warmth. The hypophosphites in it invigorate the nerves, and brain tissues.

Notice—All interested in good musical work made welcome at the studio.

Look Out for Him.

A clever swindler is working this way from California and may strike Salem. His name is Horace G. Winters, who is wanted in Stockton, California, for swindling. His game is to form the acquaintance of a lawyer in one town and get that lawyer to recommend some law firm in another town. He manages to get hold of some of the lawyer's letter-heads and forges letters from one lawyer to the other, recommending himself. He also encloses a forged certified check and a deed to some land. The letter further states that a client of the writer is expecting to buy the pieces of land described in the deed, from Winters, and asks the lawyer to make the best trade possible, and close the deal.

Winters soon appears before the attorney to whom the forged letter is sent. He agrees to sell the land at a slight reduction. This necessitates the cashing of the check, and it is for more than the purchase price. As soon as Winters gets his money he seeks greener pastures, while the innocent lawyer has to foot the bill.

Winters is 30 years old, 6 feet high, weighs about 155 pounds, has light hair and blue eyes. He is supposed to be heading this way.

Cure

As now is the time when many are thinking of buying pianos, organs and sewing machines, I take this method to remind you that you have with you an old dealer in these lines, who makes it a study to buy his goods so he can meet all advertised prices on the same goods. In the sewing machine line persons that come to my store and see what prices machines can be bought for you here, I find, send out new seasons as soon as possible, because so many salesmen they talk to charge so much more than they can get them by sending for them. I have in stock high-arm, self-threading shuttle, all attachments, 4-drawer, oak table, sewing machines for \$15 to \$15.00. You do not take any risk sending or depositing your cash. You can see the machine and sew on it before you pay for it. Prices are prices, advertised and freight paid, and you will see I am from \$1 to \$2.50 cheaper than those prices. One example: My gain on shipping a single piano—I have now on the road a car of pianos, unboxed packed in a car, at the rate of \$1.50 a hundred; price of box \$2 at the factory; weight of box averages 250 pounds, \$4 a hundred is \$100; weight of piano in box \$600, \$15 a hundred is \$450. At the rate of \$1.50 a hundred, \$90.00—a difference on the piano in box of \$14.40 making a total difference of \$2 plus \$10 plus \$14.40 or \$28.40 I save on each piano. A very fair profit on each piano and a large saving on a carload.

I could fill this entire paper full of names of parties that have bought either a piano, organ or sewing machine from me. I will give you the names of six only, via Prof. W. C. Hawley, Dr. H. Myer, Dr. W. H. Byrd, Father P. Placitus, of Mt. Angel, Sol Durbin and Mrs. C. H. Hinges. From these professional men and ladies who are good judges, you have evidence that they found my stock as good and as cheap or cheaper than any other place.

As these people have found it to their advantage to buy from me, will you do the same?

In short, I buy and sell my goods as cheap and cheaper than any outside manufacturer or dealer can possibly lay down a single shipment of a piano, organ or sewing machine.
